OPI

Dear Friends:

Welcome! I hope you will find the *Directory of Montana Schools for 2006-2007* useful during this school year.

The directory will assist you by providing contact information for:

- Montana's School Districts
- OPI Staff
- Education Associations
- Board of Public Education
- Higher Education
- County Treasurers and Superintendents
- And more …

We strive to make the most current information about Montana's K-12 public schools available to educators and the public. In addition to the *Directory*, the Office of Public Instruction's user-friendly website, www.opi.mt.gov, provides many resources, such as reports and documents, state and national educational news, a calendar of upcoming educational events, and links to the OPI programs. Segments of this *Directory* are also available on our website in downloadable electronic form.

One of my goals as State Superintendent is to keep you informed about meaningful and helpful education information. I value your suggestions regarding how the OPI can better serve your needs and provide enhanced resources to Montana teachers, parents and schools.

My electronic door is always open and I look forward to hearing from you.

Warm regards,

Linda McCulloch

STATE BOARD GOVERNANCE

Structure

The Board of Public Education, exercising general supervisory responsibility and in most cases acting on the recommendations of the Superintendent of Public Instruction, has a number of duties prescribed by law concerning the elementary and secondary schools of the state (e.g., accreditation and teacher certification). The control and supervision of the School for the Deaf and Blind is vested in the Board of Public Education.

The Board of Regents is vested with full power, responsibility and authority to supervise, coordinate, manage and control the Montana University System and also to supervise and coordinate community colleges and colleges of technology.

The members of the Board of Public Education and the Board of Regents, meeting together, form the State Board of Education which has responsibility for submitting unified budget requests for long-range planning and for coordination and evaluation of policies and programs for the state's educational systems. The Governor serves as president and the Superintendent of Public Instruction serves as secretary of the State Board of Education.

Membership

The Board of Public Education and the Board of Regents each have seven voting members appointed by the Governor with the consent of the Senate. Neither board may have more than four voting members from the same congressional district or from the same political party or organization. The term of office for appointed members is seven years, except for the student appointee to the Regents whose term varies. The Board of Public Education also has a non-voting student member who has a one-year term.

The Governor, Superintendent of Public Instruction and Commissioners of Higher Education serve as ex officio, non-voting members on both boards.
