General Interest Web Resources

A Confluence of Cultures: Native Americans and the Expedition of Lewis and Clark, a conference held May 2003, to examine new perspectives about Lewis Clark's journey through Indian Country. On many occasions, Lewis and Clark's survival and success depended on Indian people and the cultural lessons shared.

Early American History - Written accounts from the 1700s and 1800s is a look at what really happened in the early days of America. This is probably not the same history you learned in school. What you will see here is unvarnished and raw, directly from the 1700s and 1800s. It is real people talking with and about each other, expressing their thoughts, feelings, and ambitions. Here is the real pioneer spirit at its best and worst.
