

**Title: 411 Lounge**

This is an open question and answer session where attendees can drop in and get one-on-one information regarding how to set up a homeless program, identify students, collaborate with community organizations, or get personalized answers to specific problems in their district or school. Participants are encouraged to drop in with a quick question or stay for the full time period and visit with each of the experienced liaisons and the State Coordinator for all the tips and tricks of working with homeless students and families.
