INSTRUCTIONS: Complete and submit with one copy of each application for Indirect Cost Rate. A single application by School System (SS) should be submitted for the elementary and high school district. A copy of this certification will be returned upon approval of your rate.

This is to certify that I have reviewed the indirect cost rate proposal submitted herewith and to the best of my knowledge and belief:

(1) All costs included in this proposal to establish the final indirect cost rate for the periods indicated above are allowable in accordance with the requirements of the Federal award(s) to which they apply and OMB Circular A-87, "Cost Principles for State and Local Governments." Unallowable costs have been adjusted in allocating costs as indicated in the attached Predetermined Indirect Cost Allocation - Schedule A.

(2) All costs included in the proposal are properly allocable to Federal awards on the basis of a beneficial or casual relationship between the expenses incurred and the agreements to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. In addition, similar types of costs have been accounted for consistently and the Office of Public Instruction will be notified of any accounting changes that would affect the predetermined rate.

I declare that the foregoing is true and correct.
